Adventure Zone Reminders:

- Turn in Permission form for the month of July.
- **Always** bring a swimsuit and towel. If it is HOT, we may go to the pool!
- Bring a water bottle to stay hydrated.
- Check with Kids Inc staff if you need to replenish your sunscreen, if you are using your own.
- Bring a backpack or bag for your belongings.
- **Be ready to have FUN!**

Summer Footwear for Children:

Tennis shoes and sandals that have a strap around the ankle

are highly recommended for safe and active outdoor play ... **especially for field trips.** If your child is not wearing socks with their shoes, please send a pair of socks to be worn indoors for their safety and the cleanliness of the center.

Thanks!

Bedtime Reading for Children Bedtime stories play an important role in your child's development. Not only do bedtime stories create an opportunity for parents to bond with their kids, but reading to a little one at the same time night after night can help establish a healthy sleep routine. Child psychologists also point to the cognitive benefits for young people who are raised with bedtime stories, including higher-than-average literacy rates and an emotional connection to reading.

Tips for Parents: No child is too young for a bedtime story; Read slowly; Involve your child in the reading; Be Dramatic; Clearly define the characters' role; Read each story more than once; Don't read the same story too often; Don't be afraid to improvise.

Happy Reading!
